## 8. Notes

(1) Application and registration procedures will not be accepted if any of the following applies.

- When the examination fee and / or admission fee have not been paid
- When the payment receipts for the examination fee and / or the admission fee are not submitted by the due date

(2) The paid examination fee and / or admission fee will not be refunded under any circumstances except in the following cases.

- In the case that the examination and / or admission fee have been paid but the application or registration procedures have not been completed (i.e. the application and / or registration procedures have not been completed without submitting the application documents, or if the application and / or registration period has expired without submitting the application documents, or if the documents are not received due to incompleteness, etc.)
- In the case of double transfer of the examination fee or admission fee by mistake.

For details on how to request a refund, please refer to the University's website at the URL below.

<https://www.kagoshima-u.ac.jp/exam/henkan.html>

\*The deadline for requesting a refund is the end of the following month of each application acceptance period.

Validity is determined by the date of postmark for mailed submissions and by the date of arrival for email submissions.

(3) If you are applying to more than one faculty, please pay the registration fee to only one faculty.

The examination fee is required for each faculty.

(4) If it is judged that accepting the applicant would raise concerns about the proliferation of weapons of mass destruction, etc., the applicant will be rejected.

\*Personal information obtained through the application process will be used for academic services related to the procedures for research students at the university and will not be used for any other purpose.
